### 3) Home page:

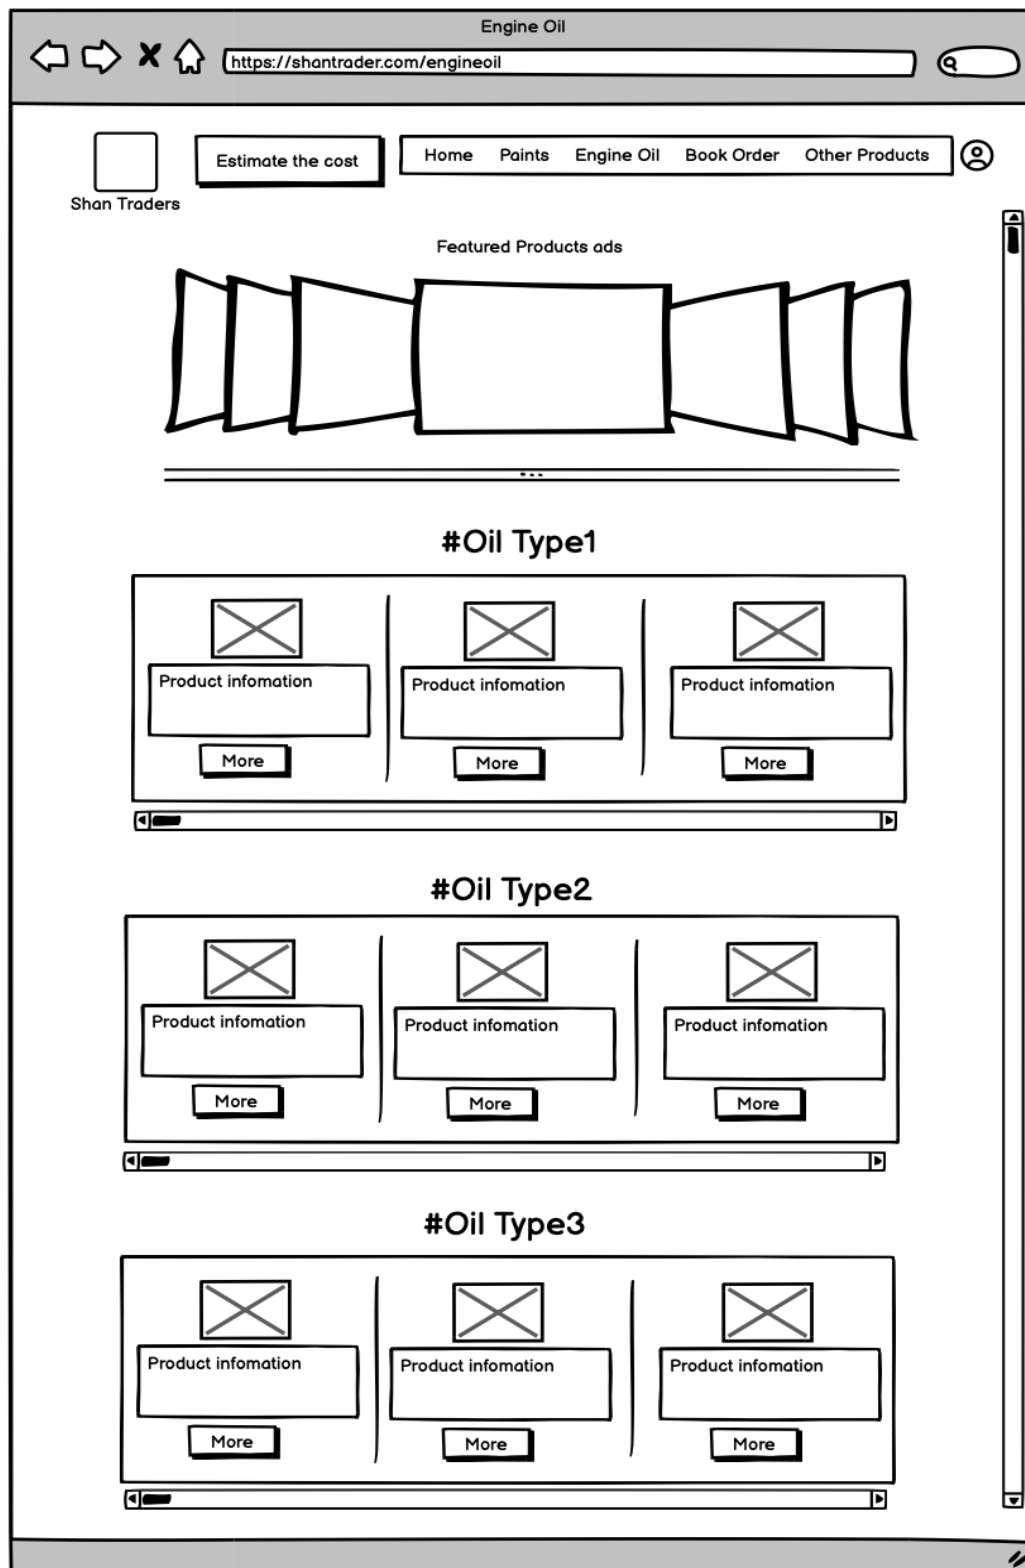

The wireframe represents a web browser window displaying the home page of 'Shan Traders'. The browser's address bar shows the URL 'https://shantraders.com/home'. The page layout includes a top navigation menu with links for 'Home', 'Paints', 'Engine Oil', 'Book Order', and 'Other Products', along with a user profile icon. Below the menu is a 'Shan Traders' logo and a large placeholder for a store image labeled 'Shan Traders Store'. To the right of the store image is a map placeholder. Below these are two form fields: 'Contact Info' and 'Address', each with a corresponding icon and a text input field. A 'Featured Products ads' section follows, represented by a row of six placeholder boxes. Below this are two columns: 'Our Products' with a list of 'Item One', 'Item Two', and 'Item Three'; and 'Get a Callback' with form fields for 'Name', 'Number', and 'Address', and a 'Submit' button. At the bottom, there is a 'Brands' section with a wide placeholder box, and two columns: 'About Us' with the text 'We are since 2000.' and 'Links' with a placeholder box.
